

If you don't have wifi, you may use 3G to connect internet. The Langie Translator contains a Langie Global SIM Card which has 50MB that you can use over 500 translation (about 7 seconds per phrase) in most of countries in world.

The SIM Card is valid for years. After the data used up, you may top up the SIM from **[www.langieglobalsim.com](http://www.langieglobalsim.com)**. Online translation just consume small data usage, you may just need to top up a small amount. If you like to share the Langie Wifi Hotspot to your other devices, you may select an Internet Data Package for a higher data.
